

How to sign up and make a Remote Deposit

1. Download AgFed Application:

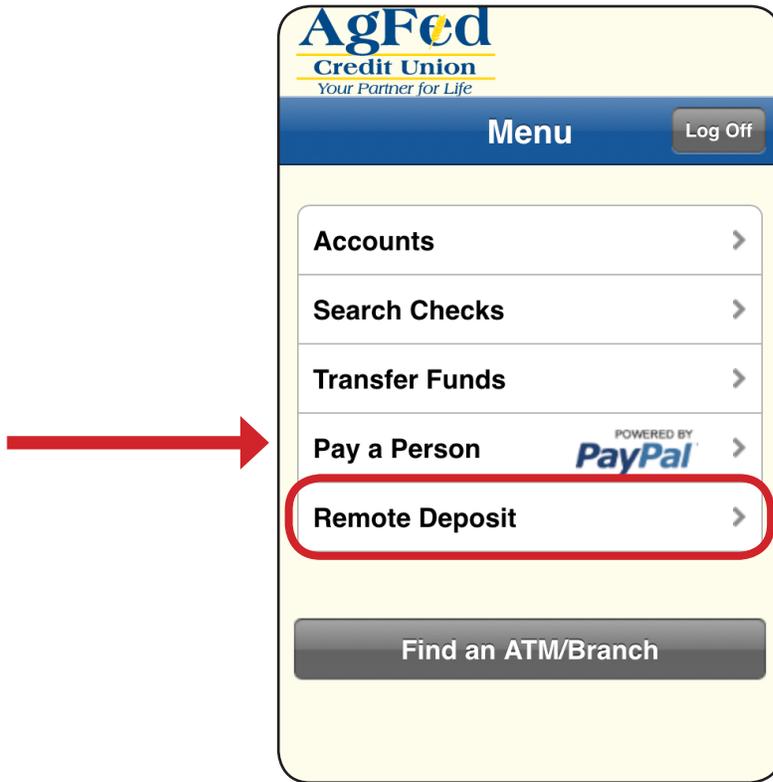

- AgFed Credit Union Mobile from Apple Store
- AgFed Mobile from Play Store for Android phones

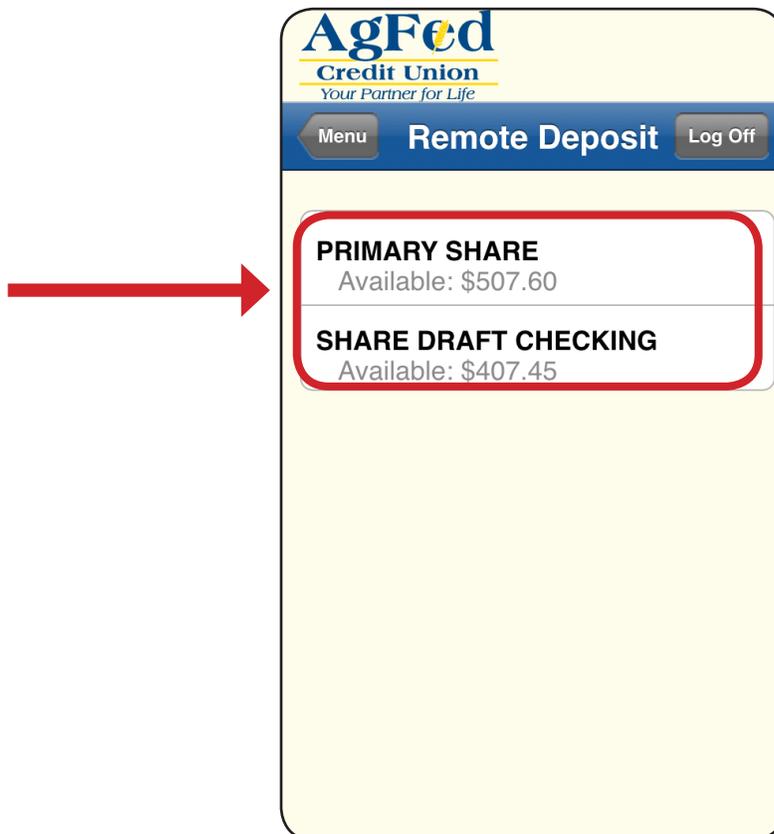

2. Login in to your account.

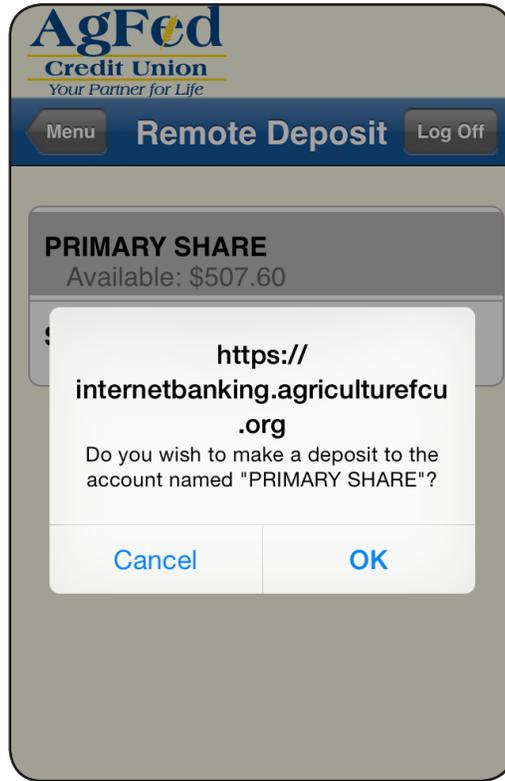

3. From the Menu Bar, select Remote Deposit.

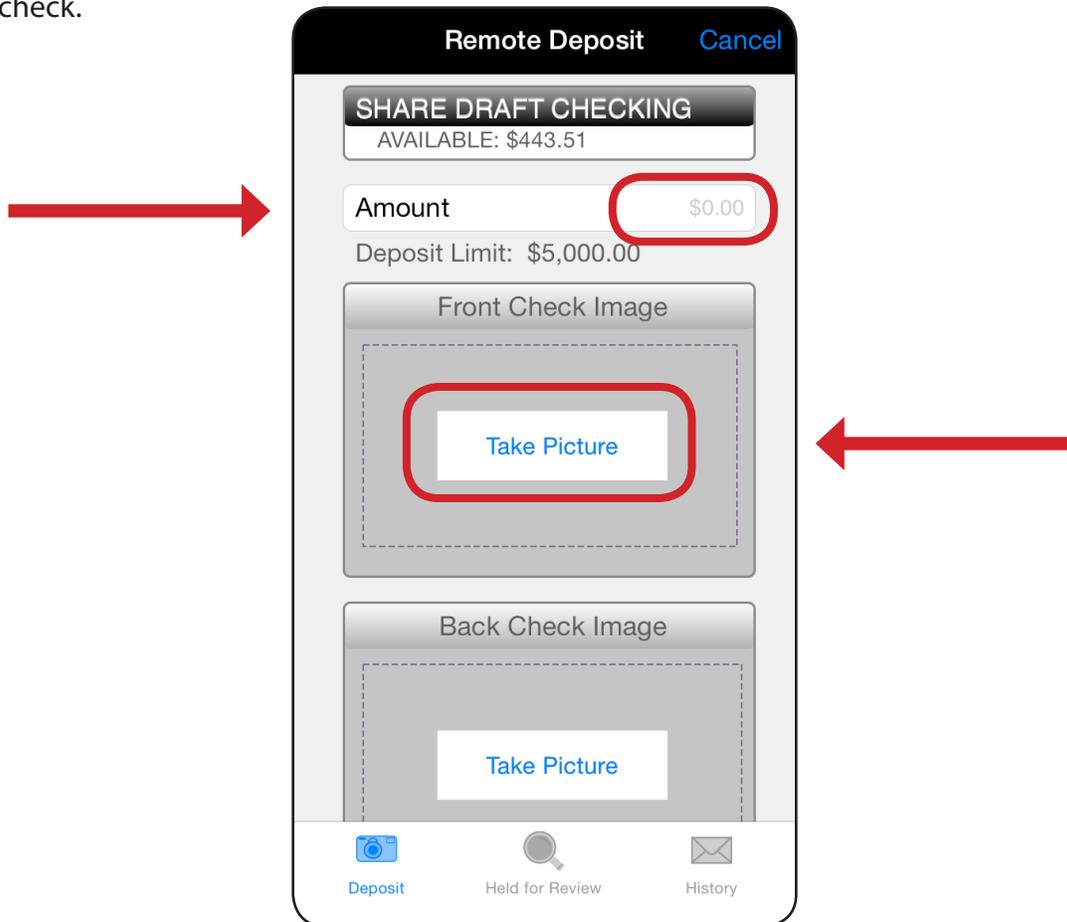

4. Select the account you wish to make a remote deposit to (Primary Share Account or Share Draft Checking).

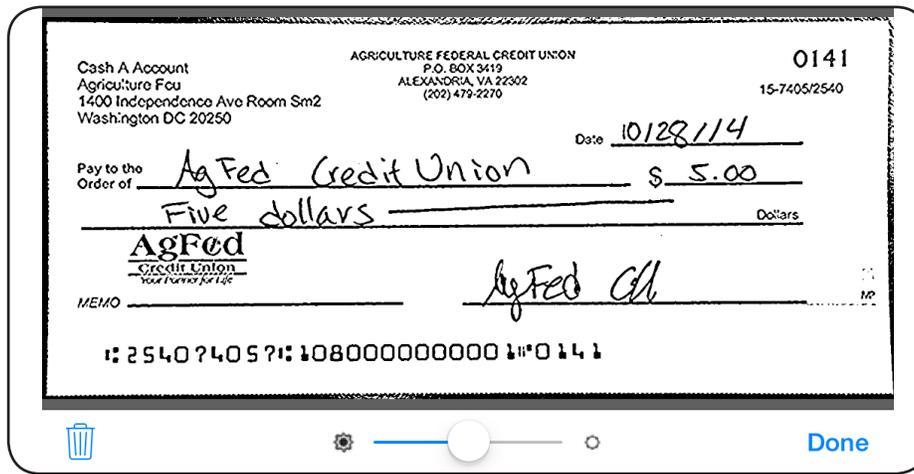

5. Click "OK" to confirm the account you wish to deposit to.

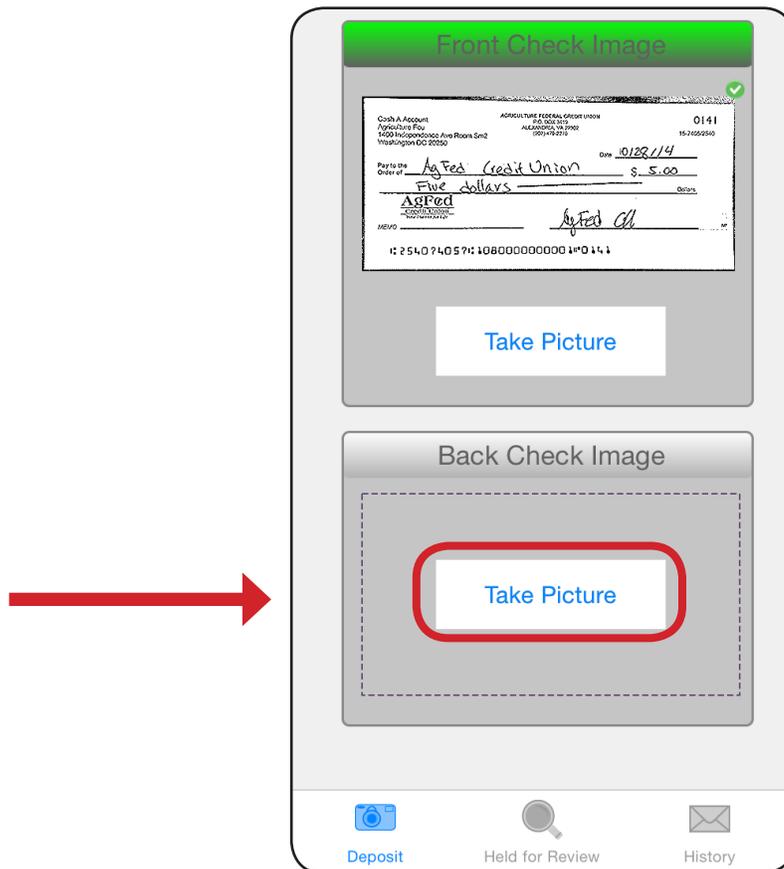

6. Enter the amount of the check. Click "Take Photo", line up the check in your screen and capture the front image of the check.

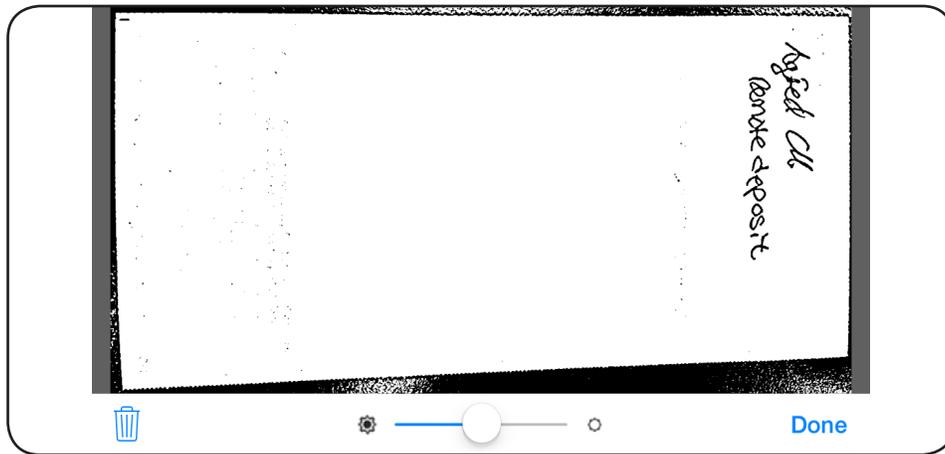

7. Click "Done" once you have captured a clear image.

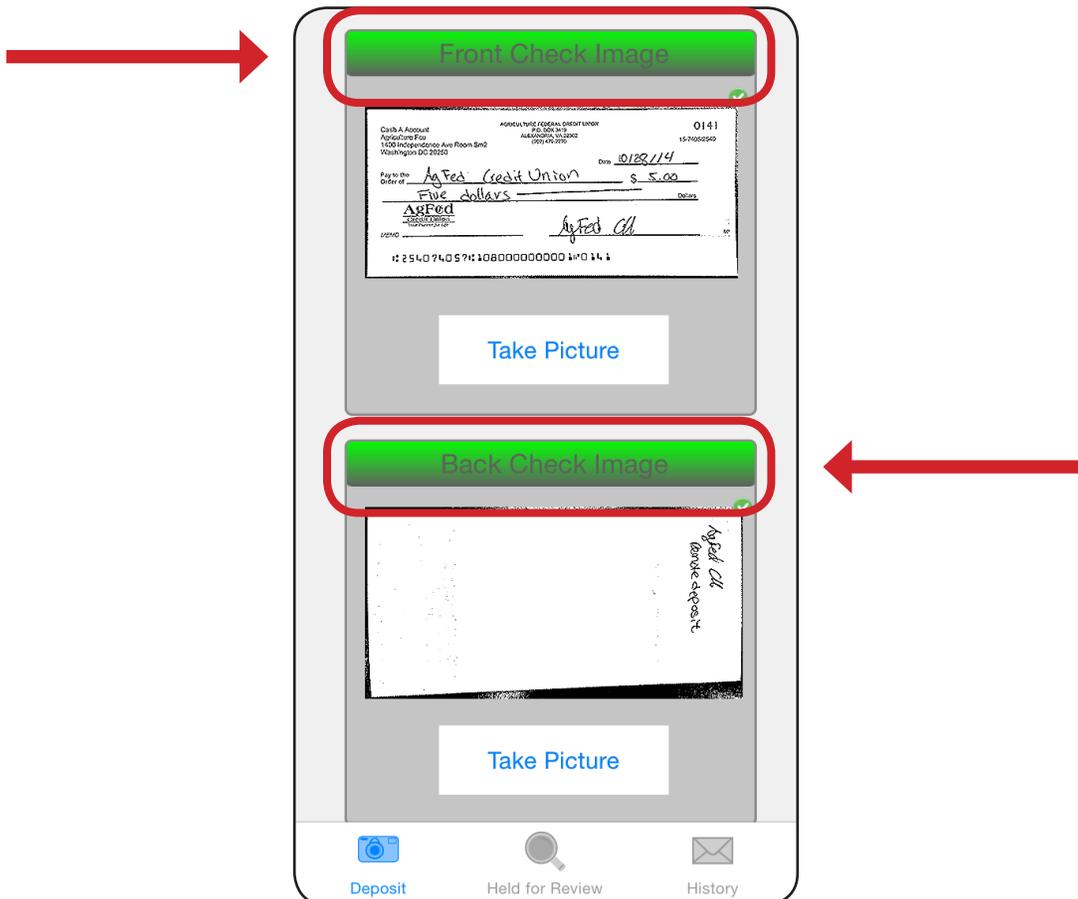

8. Do the same thing with the back image of the check. Remember to endorse the back of your check and include the phrase "Remote Deposit" and your member number.

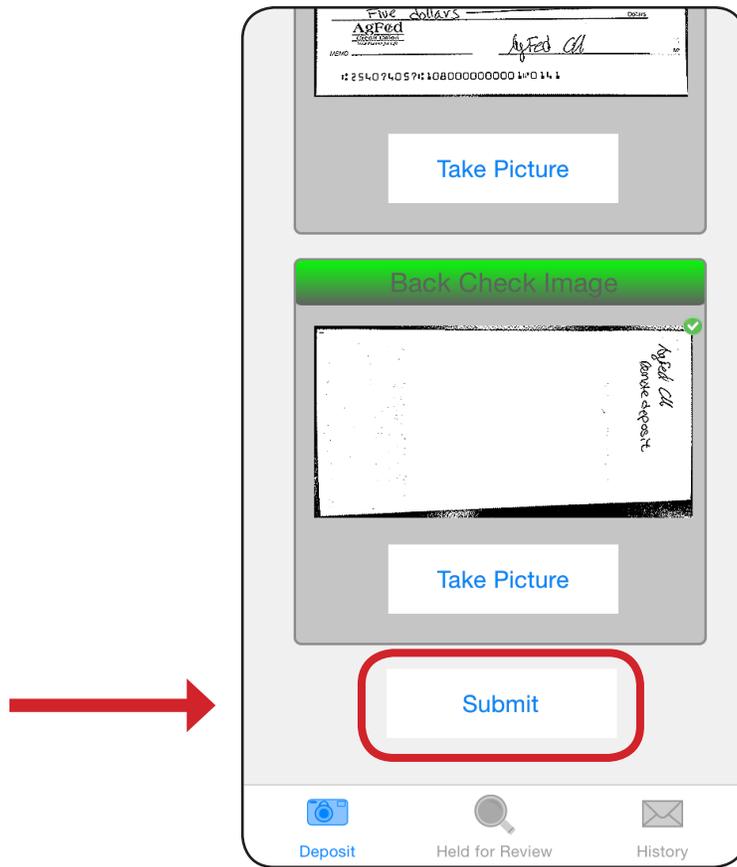

9. Click "Done" once you have captured a clear image.

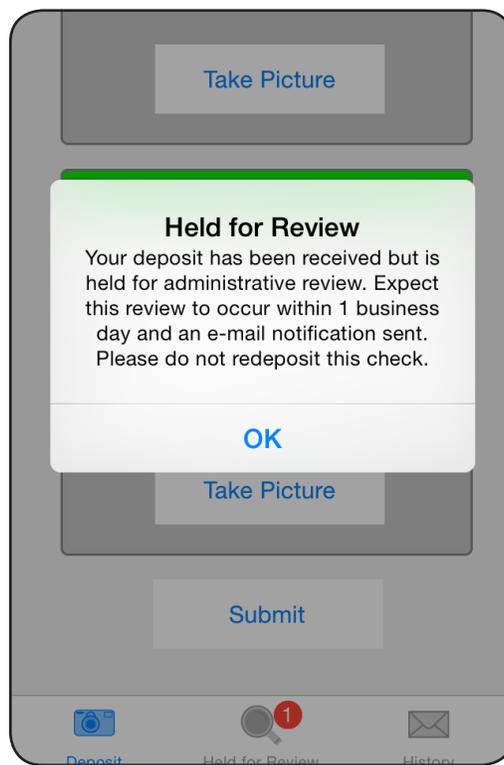

10. Once you capture both images, verify that there are no errors. (If there are errors, capture the image again until there are no errors.) Both the front and back image bars will be green to confirming the images are OK.

11. Then scroll all the way down and click submit deposit.

12. Held for Review. This will pop up to confirm the Credit Union received the check. Click "OK".

13. Held for Review shows the check that are waiting for approval. Once the check is approved you can view your history.
