AgFed Leadership in Transition

My name is Wilhelmina Bratton and I would like to introduce myself as the newly elected AgFed Credit Union Board of Directors Chairperson. Before I get to that, I would like to thank Mr. Clifton Jeter, the former Chairperson of the Board, for his many years of dedicated service to the Credit Union. Mr. Jeter has been involved in the Credit Union since 1988 by serving on various committees as well as serving as the Chairperson of the Board of Directors for many years. He is retired from the John F. Kennedy Center for the Performing Arts after thirty-two (32) years of service and was also directly involved in bringing the Kennedy Center into the AgFed Family. Thank you again, Mr. Jeter. I am thankful for your guidance and continued dedication to the Credit Union.

I would like to share with you my background and philosophy. I received a Bachelor's of Art degree in Sociology from the University of North Carolina at Asheville, North Carolina followed by my attendance at Wake Forest University where I received and; completed Post Graduate Studies in Strategic Planning from the University of North Carolina at Chapel Hill. My previous professional careers include, but are not limited to: Buncombe County Department of Social Services Project Director for the Model Cities Comprehensive Early Children Development Program in Asheville, NC; served nine (9) years as Vice Mayor and Member of the City Council of Asheville; served as Chair, National Capital Society of American Foresters (NC-SAF), served as member and Chair, AgFed Credit Union Supervisory Committee; a member AgFed Board of Directors for the past seven (7) years. As a member of Rotary International, I have served both on the Washington Rotary Club's Board of Directors and our 501C Foundation Board. I have served the USDA Forest Service since 1992 and currently, as a social scientist, with the working title of the National Partnership Coordinator for State and Private Forestry. I believe that service to our AgFed communities is of utmost importance. I am certain that together with my proven leadership qualities along, with the excellent leadership skills of your entire Board of Directors and, your hard working professional staff, we together will provide a positive leadership path for the AgFed Credit Union, and its membership, now and for future years.

I thank you for your continued membership and look forward to serving you.

Sincerely,

Wilhelmina Bratton
