HOW DO I GET STARTED?

It's easy — *Zelle* is already available within AgFed Credit Union's mobile banking app and online banking under the Bill Pay tab! Check our app or sign-in online and follow a few simple steps to enroll with *Zelle* today.

WHAT IF I WANT TO SEND MONEY TO SOMEONE WHOSE FINANCIAL INSTITUTION DOESN'T OFFER ZELLE?

You can find a full list of participating banks and credit unions live with *Zelle* [here](#).

If your recipient's financial institution isn't on the list, don't worry! The list of participating financial institutions is always growing, and your recipient can still use *Zelle* by downloading the *Zelle* app for Android and iOS.

To enroll with the *Zelle* app, your recipient will enter their basic contact information, an email address and U.S. mobile number, and a Visa[®] or Mastercard[®] debit card with a U.S. based account (does not include U.S. territories). *Zelle* does not accept debit cards associated with international deposit accounts or any credit cards.

HOW DOES ZELLE WORK?

When you enroll with *Zelle* through your online banking Bill Pay account, or mobile banking app, your name, the name of your bank, and the email address or U.S. mobile number you enrolled is shared with *Zelle* (no sensitive account details are shared – those stay with AgFed Credit Union).

When someone sends money to your enrolled email address or U.S. mobile number, *Zelle* looks up the email address or mobile number in its "directory" and notifies AgFed Credit Union of the incoming payment. AgFed Credit Union then directs the payment into your bank account, all while keeping your sensitive account details private.

CAN I USE ZELLE INTERNATIONALLY?

In order to use *Zelle*, the sender and recipient's bank accounts must be based in the U.S.

CAN I CANCEL A PAYMENT?

You can only cancel a payment if the person you sent money to hasn't yet enrolled with *Zelle*. To check whether the payment is still pending because the recipient hasn't yet enrolled, you can go to your activity page, choose the payment you want to cancel, and then select "Cancel This Payment."

If the person you sent money to has already enrolled with *Zelle*, the money is sent directly to their bank account and cannot be canceled. This is why it's important to only send money to people you trust, and always ensure you've used the correct email address or U.S. mobile number when sending money.

If you sent money to the wrong person, we recommend contacting the recipient and requesting the money back. If you aren't able to get your money back, please call member services at 202-479-2270 so we can help you.

Scheduled or recurring payments sent directly to your recipient's account number (instead of an email address or mobile number) are made available by AgFed Credit Union but are a separate service from *Zelle* and can take 1 – 3 business days to process.

You can cancel a payment that is scheduled in advance if the money has not already been deducted from your account.

HOW LONG DOES IT TAKE TO RECEIVE MONEY WITH ZELLE?

Money sent with *Zelle* is typically available to an enrolled recipient within minutes¹.

If you send money to someone who isn't enrolled with *Zelle*, they will receive a notification prompting them to enroll. After enrollment, the money will be available in your recipient's account, typically within minutes¹.

If your payment is pending, we recommend confirming that the person you sent money to has enrolled with *Zelle* and that you entered the correct email address or U.S. mobile phone number.

If you're waiting to receive money, you should check to see if you've received a payment notification via email or text message. If you haven't received a payment notification, we recommend following up with the sender to confirm they entered the correct email address or U.S. mobile phone number.

IS MY INFORMATION SECURE?

Keeping your money and information safe is a top priority for AgFed Credit Union. When you use *Zelle* within our mobile app or online banking, your information is protected with the same technology we use to keep your bank account safe.

I'M UNSURE ABOUT USING ZELLE TO PAY SOMEONE I DON'T KNOW. WHAT SHOULD I DO?

If you don't know the person, or aren't sure you will get what you paid for (for example, items bought from an online bidding or sales site), you should not use *Zelle* for these types of transactions.

These transactions are potentially high risk (just like sending cash to a person you don't know is high risk). Neither AgFed Credit Union nor *Zelle* offers a protection program for any authorized payments made with *Zelle* – for example, if you do not receive the item you paid for or the item is not as described or as you expected.

WHAT IF I GET AN ERROR MESSAGE WHEN I TRY TO ENROLL AN EMAIL ADDRESS OR U.S. MOBILE NUMBER?

Your email address or U.S. mobile phone number may already be enrolled with *Zelle* at another bank or credit union. Call our member services support team at 202-479-2270 and ask them to move your email address or U.S. mobile phone number to AgFed Credit Union so you can use it for *Zelle*.
